What's an EXPRESS visit?

That's when a person gets seen without a doctor or nurse looking at the person's body. It's a way of getting seen more quickly in the STD Clinic.

Who can have an EXPRESS visit?

Most people with nothing wrong in their body that's from an STD can have one.

Who should NOT have an EXPRESS visit?

- A person who has something going on in his or her body that might be from an STD.
- A person who had sex with someone who has an STD.
- A person here who was told by a health worker that he or she might have an STD.
- A person who wants a doctor or nurse to look at his or her body for any reason.
- A person who is pregnant.

What is the fee for an EXPRESS visit?

The fee is the same as for a regular visit — \$15. You can still be seen if you can't pay.

What if I have more questions about EXPRESS visits?

Ask a member of our staff. We will be happy to answer your questions.
